Teamwork makes the dream work
"See You Again" is a song recorded by American rapper Wiz Khalifa featuring American singer Charlie Puth. The track was commissioned for the soundtrack of the 2015 action film Furious 7 as a tribute to the late Paul Walker. The artists co-wrote the song with its co-producers, DJ Frank E and Andrew Cedar, with additional production from Puth and mixing provided by Manny Marroquin. "See You Again" was released on March 17, 2015, as the soundtrack's lead single in the United States. "See You Again" was written in memory of Paul Walker, who died in a single-vehicle accident on November 30, 2013 in Valencia, California. Because the filming of Furious 7 was underway, Paul's brothers offered to step in so the movie could be completed.
"See You Again"
(feat. Charlie Puth)

[Charlie Puth:] 
It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again
(Hey)

[Wiz Khalifa:] 
Damn, who knew?
All the planes we flew
Good things we've been through
That I'll be standing right here talking to you
'Bout another path
I know we loved to hit the road and laugh
But something told me that it wouldn't last
Had to switch up
Look at things different, see the bigger picture
Those were the days
Hard work forever pays
Now I see you in a better place (see you in a better place)

Uh
How can we not talk about family when family's all that we got?
Everything I went through you were standing there by my side
And now you gon' be with me for the last ride

[Charlie Puth:] 
It's been a long day without you, my friend
And I'll tell you all about it when I see you again
(I see you again)
We've come a long way (yeah, we came a long way) from where we began (you know we started)
Oh, I'll tell you all about it when I see you again
(let me tell you)
When I see you again

(Aah oh, aah oh
Wooooh-oh-oh-oh-oh-oh)
Yeah
[Wiz Khalifa:]
First you both go out your way
And the vibe is feeling strong
And what's small turn to a friendship
A friendship turn to a bond
And that bond will never be broken
The love will never get lost (and the love will never get lost)
And when brotherhood come first
Then the line will never be crossed
Established it on our own
When that line had to be drawn
And that line is what we reach
So remember me when I'm gone (remember me when I'm gone)

How can we not talk about family when family's all that we got?
Everything I went through you were standing there by my side
And now you gon' be with me for the last ride

[Charlie Puth:]
So let the light guide your way, yeah
Hold every memory as you go
And every road you take, will always lead you home, home

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again

(Aah oh)
(Uh)
(Aah oh)
(Yeah)
(Woooh-oh-oh-oh-oh-oh)
(Ya, ya)
When I see you again
(Uh)
See you again
(Woooh-oh-oh-oh-oh-oh)
(Yeah, yeah, uh-huh)
When I see you again
Charlie Puth had only lived in Los Angeles for two days when he co-wrote “See You Again,” the hit song chosen to play over Paul Walker’s final scene in Furious.

After word got out that the movie was looking for a song for Walker’s final scene, Puth figured he’d give it a shot, never expecting to be chosen from what he estimated were hundreds of submissions. Walking into the studio to see DJ Frank E for the first time—a meeting his publisher set up—Puth didn’t know what to expect.

“We were just getting to know each other and he had these chords up. I was like, ‘What if we just played this on the piano?’ And they were the chords to ‘See You Again,’” Puth said.

Opinions

We think that the people who are with us are worth it.

Don't force someone to remember you all the time. Just stay silent and let them realize how will they be without you in their life.
Fast and Furious: Ending scene

"No matter where you are, whether it’s a quarter-mile away or halfway around the world, you’ll always be with me and you’ll always be my brother."
